**ANNUAL SERVICE UNIT CAMPOUT:** Troops are expected to utilize troop funds to pay the majority of costs associated with this event. Families should contribute only a portion of this fee. Financial assistance will be considered only for the portion to be contributed by the Girl Scout's family. While additional amounts can be requested in unusual circumstances, financial assistance will generally not exceed 50% of the amount of the fee contributed by the family. Troops should pay a portion of event fees for girls requesting assistance when registering for this event.

When registering for a **COUNCIL SPONSORED EVENT**, you must pay at least 50% of the event fee before you can be registered. If Financial Assistance is applied for, the amount paid by the troop towards the event fee must be provided otherwise the financial assistance process will be delayed.

**NOTE:** Financial Assistance is available for Council-sponsored events and the Annual Service Unit Campout ONLY. Troop-planned events are not eligible for assistance through the Council. Please contact your troop if financial assistance is needed for troop events.
