MESSAGE FROM THE ADULT LEARNING TEAM

Dear Girl Scouts of Gateway Council Volunteers:

Girl Scouts of Gateway Council is pleased to present the Adult Learning Opportunities Book for August 2009 – January 2010 which describes learning opportunities available within Gateway Council.

You can view the learning opportunities presented here by subject. OTEX

OTEX, Outdoor Training EXtravaganza, is an annual weekend with the mission that every class provides participants with information, knowledge, skill and self-confidence in a specific outdoor program that can be immediately used with girls to enhance program opportunities at the next campout.

Participants DO NOT have to be Troop Camp I, II or Combo trained to attend these events; all registered Girl Scouts—parents, volunteers, and Girl Scout Seniors and Ambassadors may attend these trainings to support continued outdoor program opportunities at camp. Make plans now to attend as a team with each participant attending a different training to get the most out of this experience for your next Service Unit encampment or troop camp adventure!

Be sure to check the registration chart for meals provided, additional meals can be purchased if not already included. There is no additional fee for lodging, please feel free to make a weekend of the event by staying one or two nights at Camp Kateri and network with other adults who share your commitment to quality outdoor programming!

Girl Scouts of Gateway Council - Adult Weekend - November 2009

"Exploring Nature", November 6-8, 2009 at Camp Seminole Springs

ATTENTION REGISTERED ADULTS!!! Adult Weekend is our annual campout for adult Girl Scout volunteers. It's a time for fun, learning new things, enjoying old friends and making new friends. Choose workshops for yourself in crafts, outdoor skills, enrichment, trainings or have some free time to relax.

Many workshops fill early so be sure to pick a 2nd and 3rd choice for each time slot when you fill out your registration form. If you pick from the all afternoon workshops, do NOT pick from the two short afternoon workshops (you can't be in more than one place at a time). Pay for your 1st choice and if we have to give you a different choice, you will be reimbursed at check-in or required to pay the difference at check-in. Come to Adult Weekend and enjoy the beauty of Camp Seminole Springs and see what it can do for your troop's camping experience.

You do not have to be camp trained to come to Adult Weekend. This is a great opportunity to see what camp is like before you plan a campout with your troop.

REGISTRATION BEGINS TUESDAY, SEPTEMBER 1, 2009 AND CLOSES FRIDAY, OCTOBER 16, 2009. If you need to cancel after you register, you have until FRIDAY, OCTOBER 16, 2009 TO CANCEL AND GET A REFUND. There will be NO refunds after that date. Feel free to schedule free time in your weekend, but please do not disturb any workshops. Enjoy your camp, your friends and your weekend.

CHECK-IN will be on the FRONT PORCH of the Lodge Friday 5:30-9:30 pm. If you can't arrive by 9:30 pm on Friday night, you may check-in on Saturday between 7:30-8:30 am. Do NOT arrive at camp after 9:30 pm on Friday.

Event fee: \$9.00 for lodging, patch & silk-screen. Add the fees for the meals and workshops as you choose.

Outdoor Living was an important aspect of Girl Scouting to Juliette Gordon Low and part of the mystery of Seminole Springs is having the advantage to experience primitive camping by sleeping with nature. The best way to achieve that is to experience it in a tent. This weekend may give you that opportunity. If you have a physical need that will not allow you to experience a tent, we have a limited number of mattresses and beds available. Please be a sister to each other and keep that in mind when requesting your sleeping option.

In order to allow for the most participants and avoid any confusion at check-in, you will be assigned your sleeping area, rather than pick it for yourself when you arrive, as has been the custom at Adult Weekends in larger camps. If you desire to, please indicate a "Buddy" and every effort will be made to have you stay together (be sure your "Buddy" registers).

* Bring your favorite snack(s) to share for Friday Night. We will lay them out and everyone may help themselves to munchies during the evening. Please list ingredients in case of allergies.

** Throughout the weekend, stop by the Grist Mill and enjoy the only running historic mill left in Florida.

MEALS: This is a general idea of the meals, this may change slightly.
