## How to Read The Charts

### ACTIVITY #

The letters represent the age levels that can attend the programs. Please check specific program descriptions for age requirements.

**AGS** = All Girl Scouts

**A** = Girl Scout Ambassador (grades 11&12)

**S** = Girl Scout Senior (grades 9&10)

**C** = Girl Scout Cadette (grades 6–8)

**J** = Girl Scout Junior (grade 4&5)

**B** = Girl Scout Brownie (grades 2&3)

**D** = Girl Scout Daisy (grades K&1)

Please check the activity number (*on the grid*) to see if your Girl Scouts are the proper age to attend the program. The letters are abbreviations for the age levels in Girl Scouts where **A** = **Ambassador**, **S** = **Senior**, **C** = **Cadette**, **J** = **Junior**, **B** = **Brownie**,

**D** = **Daisy** and **AGS** = **All Girl Scouts**. A program listed as “08–6040–**JCSA1**” means that Girl Scout Juniors, Cadettes, Seniors and Ambassadors may attend the event. An event with a code of “08–6040–**B2**” indicates that only Girl Scout Brownies may attend the event.

### REGISTRATION & FORMS

# Welcome to the Girl Scout Leadership Experience

DISCOVER + CONNECT + TAKE ACTION = LEADERSHIP

*Discover, Connect* and *Take Action* are the **3 Keys** to leadership. There are five expected short / medium term outcomes for each key. Each outcome is further explained by how it relates to girls at each program age level. A glance at the outcomes shows you what Girl Scouting is really all about. You can see some of these outcomes referenced throughout this book—each program listing indicates which outcome(s) it will focus on to meet the mission of Girl Scouts.

## 3 Keys to Leadership

**DISCOVER:** *Understand themselves and their values and use their knowledge and skills to explore the world.*

- 1: *Girls develop a strong sense of self.*
- 2: *Girls develop positive values.*
- 3: *Girls gain practical life skills.*
- 4: *Girls seek challenges in the world.*
- 5: *Girls develop critical thinking.*

**CONNECT:** *Care about, inspire, and team with others locally and globally.*

- 1: *Girls develop healthy relationships.*
- 2: *Girls promote cooperation and team building.*
- 3: *Girls can resolve conflicts.*
- 4: *Girls advance diversity in a multicultural world.*
- 5: *Girls feel connected to their communities, locally and globally.*

**TAKE ACTION:** *Act to make the world a better place.*

- 1: *Girls can identify community needs.*
- 2: *Girls are resourceful problem solvers.*
- 3: *Girls advocate for themselves and others, locally and globally.*
- 4: *Girls educate and inspire others to act.*
- 5: *Girls feel empowered to make a difference in the world.*

## 3 Core Processes

**Girl Led:** Girl led is just what it sounds like—girls play an active part in figuring out the what, where, when, how and why of their activities. They lead the planning and decision making as much as possible. This ensures that girls are engaged in their learning and experience leadership opportunities as they prepare to become active participants in their local and global communities.

**Learning By Doing:** A hands-on learning process that engages girls in continuous cycles of action and reflection that result in deeper understanding of concepts and mastery of practical skills. As they participate in meaningful activities and then reflect on them, girls get to explore their own questions, discover answers, gain new skills, and share ideas and observations with others. Throughout the process, it's important for girls to be able to connect their experiences to their lives and apply what they have learned to their future experiences.

**Cooperative Learning:** Through cooperative learning, girls work together toward shared goals in an atmosphere of respect and collaboration that encourages the sharing of skills, knowledge, and learning. Working together in all-girl environments also encourages girls to feel powerful and emotionally and physically safe, and it allows them to experience a sense of belonging even in the most diverse groups.

## ROQs Reflective Outcome Questions

This fall at council sponsored activities look for ROQs. No, not rocks, like you find on the ground, but ROQs—Reflective Outcome Questions!

The ROQs are questions designed to lead discussions about the event that just happened linking the activities the girls just participated in to the Girl Scout Leadership Experience and the 15 national outcomes in a timely, relevant and tangible way.

It's additional program support for after the event to help Girl Scouts and their parents recognize how the Girl Scout program builds girls of courage, confidence and character who make the world a better place.

# Leadership Programs

Many of these programs require you submit an application—available on the website at [www.girlscouts-gateway.org](http://www.girlscouts-gateway.org)—to the **Jacksonville Service Center (JSC)** or the **Clay County Service Center (CCSC)**, please see page 14 for the fax number and mailing address. Please remember to bring a permission slip and health form to all events.

## Medals of Honor (2/21/10)

Save the date to celebrate the accomplishments of Bronze, Silver, and Gold Awardees from 2009! Award Recipients whose paperwork is submitted by **12/31/09**, will receive an invitation to attend the recognition ceremony. Each honoree will receive two complimentary guest tickets with her invitation in January. Additional tickets may be purchased. This program accomplishes the Girl Scout Mission by focusing on Outcomes **TAKE ACTION 4: Girls educate and inspire others to act; TAKE ACTION 5: Girls feel connected to their communities, locally and globally.** **JCSA ~ Cari Holland**

## Gold & Silver Award Info Workshop (TBD)

If you're getting ready to begin earning the Silver or Gold Award, schedule an information workshop to learn the ins and outs of these honors. We'll clarify questions about the process, requirements, timelines, and paperwork. Contact **Cari Holland** to schedule a workshop. This program accomplishes the Girl Scout Mission by focusing on Outcomes **TAKE ACTION 1: Girls can identify community needs; TAKE ACTION 2: Girls are resourceful problem solvers; TAKE ACTION 5: Girls feel empowered to make a difference in the world.** **CSA ~ Cari Holland**

## Gold Award CEO Charm (9/18/09)

Going for the Gold? This is the perfect opportunity to get one step closer! Earn your Gold Career CEO Charm by working with a committee of girls to plan Hot Jobs Cool Careers. You'll complete 40 hours by planning, organizing, and facilitating the career fair. Help Cadettes work toward their Silver Award by

scheduling career women to speak on a professional panel, contact college students to talk about life after high school, and plan how Cadettes will earn the Your Own Business Interest Project Patch. If you register for this leadership opportunity, you must commit to attending various planning meetings (dates TBD), work both individually and as a team, and attend Hot Jobs Cool Careers on **11/21/09**. Troop #808 is planning the fall Gainesville event. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5: Girls develop critical thinking; CONNECT 2: Girls promote cooperation and team building.** **SA ~ Cari Holland**

## Studio 2b Destinations (10/30/09)

Have you traveled locally and are now ready to travel the country or even internationally? Itching to see some new scenery? Studio 2b Destinations offer great opportunities to get away, see new sights, meet new people, and experience new adventures. Trips from around the corner to across the globe are possible and each one is focused on a different interest or activity. There are over 50 Destinations to choose from! Which one is right for you? Check out [www.studio2b.org/escape](http://www.studio2b.org/escape) to read Explore it! Your Guide to Girl Scout Destinations to discover the 2010 Destination opportunities. Girls ages 11 to 18 can download the application from the Studio 2b website and submit it to **Cari Holland** at the CCSC for endorsement. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1: Girls develop a strong sense of self; CONNECT 4: Girls advance diversity in a multicultural world; TAKE ACTION 5: Girls feel empowered to make a difference in the world.** **CSA ~ Cari Holland**

## OTEX (Outdoor Training Extravaganza) (9/11–13/09)

OTEX is an annual weekend with the mission that every class provides participants with information, knowledge, skill and self-confidence in specific outdoor program that can be used immediately to enhance program opportunities at the next campout. There are multiple trainings available to Girl Scout Seniors and Ambassadors who have an interest to help plan Service Unit campouts or assist at other outdoor leadership events. Trainings available include Archery Instructor (age 16+); Geocaching; Campfire Program; Fun At Camp; Fun at Night; Astronomy; The Basic Outdoor Skills—Hands On; and Sing Out Loud. Full course descriptions are available on line and in the Adult Learning Opportunities booklet; registration ends **8/28/09**. This program accomplishes the Girl Scout Mission by focusing on Outcomes **TAKE ACTION 2: Girls are resourceful problem solvers; TAKE ACTION 4: Girls educate and inspire others to act.** **SA ~ Carrie Kashawlic & Cynthia Wisner**

# Destination - "I've Been"

by Emily Richards

"A girl in my troop went on a rock climbing Destination in California. The pictures and stories she shared from her trip interested me. The way she talked about it sounded like a lot of fun, so I decided to look into Destinations for myself.

I applied for MUSH MUSH in Minnesota: Dog Sledding! and when I was accepted to go I was really excited. I was so ready to go, but as it got closer and closer, I got more and more nervous. I wondered if I was physically up to the challenges so I started going to the gym to prepare my body for cross country skiing.

I don't think it had really sunk in until about a week before I was to leave, and when it was time to go I was a little freaked out.

AS soon as I met the other girls who were on my Destination I found out they had the same fears that I did. I felt a lot better knowing I was not the only one, so my nervousness went away.

I totally expected it to be freezing 24/7, but we were moving so much I wasn't even cold! I thought it was going to be so much harder than it was, but it turned out to be more fun than work. Being on the boundary waters of Minnesota, dog sledding, surrounded by snow was so much more than I had ever experienced. So different than anything I was used to, I learned so much.

Not too many people can say they have gone dog sledding. Even though counselors and other girls were there, I felt like I accomplished this myself, because my family wasn't there to help. I experienced so many new things, made friends, and definitely challenged my comfort level. Even though it sounds cheesy, it really was life changing. It is something I'll always remember, and never ever forget.

I think that everybody should go on a Destination. All of them sound amazing, and any of them would be a great experience, but my advice is to pick the Destination that sounds the craziest, the one that is most different from your normal life. The experience will change the way you see yourself and your abilities!"

Emily Richards from Troop 188 in the Black Creek Service Unit attended the Studio 2b Destination called **Mush Mush in Minnesota: Dog Sledding!** Emily traveled to the boundary waters of Minnesota in December, 2008.

## Legislative Days (12/18/09)

Do you enjoy debating issues that you feel passionately about? Want to travel to Tallahassee to speak to our State's elected legislators? If so, apply to attend Legislative Days! First you'll meet with a local legislator to learn a little about local lawmaking and issues. Then, travel to the State Capitol for a long-weekend (Fri-Mon) at the end of March to advocate on behalf of Girl Scouts of Gateway Council. Girl Scouts participating in the traditional troop pathway will partner with girls in the Get Real! Mentoring Program, a special interest pathway, to maximize our Girl Scout voice. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 2:** Girls develop positive values; **DISCOVER 5:** Girls develop critical thinking; **TAKE ACTION 3:** Girls advocate for themselves and others, locally and globally; **TAKE ACTION 5:** Girls feel empowered to make a difference in the world. **SA ~ Cari Holland**

## Ximenez-Fatio Living History Docents (11/6/09)

Experience life during the 1800s as a living history docent at the Ximenez-Fatio House Museum in St. Augustine, Florida. The facility, built in 1798, was an exclusive boarding house that has always been owned and operated by women! Docents will dress in period attire and portray the lives of the women who ran the facility as well as a diverse group of female guests. Enjoy an amazing experience learning about life during the colonial era with the National Society of the Colonial Dames of America and share it with hundreds of visitors who attend San Agustin on **3/27/10**. To be considered as a docent, girls must be in the 7th or 8th grade, complete an application and attend an interview on **1/14/09**. If selected, girls will attend training on **1/23/10** to prepare for this new addition to the San Agustin Weekend. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5:** Girls develop critical thinking; **CONNECT 2:** Girls promote cooperation and team building; **TAKE ACTION 2:** Girls are resourceful problem solvers. **C ~ Carrie Kashawlic**

## San Agustin Docents (11/13/09)

Walk in the footsteps of young colonial women by travelling back in time to experience St. Augustine in the 1700s! Sew and wear period clothing, use wooden spoons and bowls to eat authentic open-fire meals, and sleep in marquee shelters while sharing the unique experience with new friends. Learn new skills such as broom, candle, or basket making and apprentice with one of the museum's blacksmiths, leather workers, or carpenters. Test your ability to adapt to life in the 18th century as you share what you've learned with hundreds of visitors at the Colonial Spanish Quarter Museum in downtown St. Augustine.

Applicants must be 6th graders and will submit an application and reference form by **1/13/09**. You will receive a confirmation with information about Auditions. Girls will be selected based upon their application, references, and skills demonstrated at the Audition on **1/9/10**. If you are selected, you will receive a confirmation with information about the required Training Weekend. Then, save the date for the weekend of **3/26-28/10** to showcase your leadership at the San Agustin

Encampment. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4:** Girls seek challenges in the world; **CONNECT 2:** Girls promote cooperation and team building; **TAKE ACTION 2:** Girls are resourceful problem solvers. **C ~ Cari Holland**

## San Agustin Older Girl Docents (11/13/09)

Did you participate as a 6th grader and can't wait to do it again? Are you interested in reenacting for the first time? Either way, turn back the hands of time and experience life as a young woman in 18th century St. Augustine. Dress in period clothing, live without modern day luxuries, and work with adults to lead 6th grade docents in a memorable encampment experience.

Applicants must be **10th-12th** graders, and submit an application and reference form by **1/13/09**. You will receive a confirmation with information about Auditions. Girls will be selected to participate based upon their application, reference form, and skills demonstrated at the Audition on **1/8-9/10**. If you are selected, you will receive a confirmation with information about the required Training Weekend. Then, save the date for the weekend of **3/26-28/10** to showcase your leadership at the San Agustin Encampment. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4:** Girls seek challenges in the world; **CONNECT 2:** Girls promote cooperation and team building; **TAKE ACTION 2:** Girls are resourceful problem solvers. **SA ~ Cari Holland**

## San Agustin Auditions & Training Weekend

(1/8-9/10 & 2/5-6/10)

You turned in your application and reference form on or before **1/13/09**, and now you're ready to shine! San Agustin Docent hopefuls will audition in areas such as public speaking, singing as a group, and game playing. Girls will show that they are hard working, follow directions, and are excited about this awesome leadership opportunity. Auditions are overnight for older girls and Saturday only for 6th graders. Girls selected as San Agustin Docents will receive information about the Training Weekend. During training, docents will stay overnight in St. Augustine to see the site of the San Agustin encampment, learn more about life in the 1700s, and role play as if they were living it! A parent meeting to learn how to support the San Agustin adventure will close the weekend. This program accomplishes

the Girl Scout Mission by focusing on Outcomes **DISCOVER 4:** Girls seek challenges in the world; **CONNECT 2:** Girls promote cooperation and team building; **TAKE ACTION 2:** Girls are resourceful problem solvers. **CSA ~ Cari Holland**

### Geocaching Event Planner (ASAP)

Enjoy using and teaching technology skills? Want to help plan the council-sponsored Geocaching event? PA training recommended, contact **Cynthia Wisner** at the **CCSC** to discuss this leadership opportunity. **CSA ~ Cynthia Wisner**

# Program Aide (PA) Training

The revised Program Aide Training is here! Under the new format, Program Aides will become fully trained and earn the PA Pin by attending one Council sponsored PA Training Weekend as well as begin to accumulate hours towards the 25 needed for the Program Aide patch. Ideally, to earn the PA patch, PAs will use the leadership skills they've learned in PA training with younger Girl Scouts. PAs can volunteer their leadership within a troop, their Service Unit, or by volunteering at a Council sponsored event. Check out the PA Volunteer Opportunities to see where you may be able to lead at a Council event. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1:** Girls develop a strong sense of self; **DISCOVER 2:** Girls develop positive values; **DISCOVER 3:** Girls gain practical life skills; **CONNECT 1:** Girls develop healthy relationships; **CONNECT 2:** Girls promote cooperation and team building; **CONNECT 4:** Girls advance diversity in a multicultural world; **TAKE ACTION 2:** Girls are resourceful problem solvers; **TAKE ACTION 4:** Girls educate and inspire others to act; **TAKE ACTION 5:** Girls feel empowered to make a difference in the world. **CSA ~ Cari Holland**

This weekend training opportunity may also be available locally in your Service Unit, contact your Service Unit Manager to learn more.

## PA Training Weekend

This weekend is designed to give potential Program Aides the ultimate PA training experience and earn their PA pin! Girls will spend 10 hours focusing on various aspects of leadership by participating in hands-on activities, learning necessary skills, and reflecting in their new PA Leadership Journal. Saturday night, girls will plan an event for Girl Scout Daisies or Brownies. On Sunday, PAs will use their newly acquired leadership skills and their event planning expertise to host Daisy Fun Day or Brownie Play Day. Please bring personal camping items for the weekend such as a sleeping bag and pillow, clothes, toiletries and a water bottle.

Previously, to become a trained Program Aide, girls had to register to attend Core Training and two specialty trainings to complete the PA pin. Program Aides who have already taken Core Training, but have not finished their specialty trainings should plan to complete these trainings this fall. **Beginning January 2010, specialty PA trainings will no longer be offered.** Program Aides who are currently fully trained need not be re-trained. **Pre-Requisite: Core Training.**

## PA Outdoor Skills Speciality Training

There are eight basic outdoor skills, come learn more about them and practice how to share these skills with younger Girl Scouts. Learn how to build a one-match fire and learn how to tie the knot that will pitch a tent! Be dressed for the weather in appropriate camp attire, as this training takes place outdoors. Please bring a sack lunch if you are also attending PA Flag Ceremonies on the same day.

## PA Flag Ceremonies Speciality Training

Many Girl Scout meetings, ceremonies, and events begin with a flag ceremony and may even end with one too! Brush up on the basics of flag ceremonies by learning proper flag courtesies, planning an opening and closing ceremony and participating in a flag retirement. Be dressed appropriately for the weather as this training will take place outdoors.

## PA Songs & Games Speciality Training

Every good PA has a few good songs and games to share! Learn how to keep younger Girl Scouts engaged, having fun, and learning new skills. Practice leading a song and teaching a game while learning some new ones yourself!

## PA National Science Partnership Speciality Training

Explore the wonders of simple science by participating in hands-on experiments. Practice science activities while learning the best ways to teach younger girls how to discover and inquire into the magic of science.

# PA Volunteer Opportunities

Girls must have completed Program Aide training to volunteer as a Program Aide. Attendance at these events counts toward the 25 hours required for the PA patch.

## PA for Money Madness!

Does money really make the world go 'round? It just might! Share your knowledge with Daisy Girl Scouts through stories and activities. Take the lead, receive training, and earn valuable service hours. Teach younger girls about pennies, dimes, nickels and quarters using a very special Junior Achievement® program, especially designed for Daisy Girl Scouts. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5**: Girls develop critical thinking; **CONNECT 2**: Girls promote cooperation and team building; **TAKE ACTION 5**: Girls feel empowered to make a difference in the world. Please bring a bag lunch and a water bottle.

**CSA ~ Cari Holland**

## PA for NASA STEM Stomp Rocket Launch

Show your science skills and scope out the STEM initiative with Junior Girl Scouts. Learn about the vastness of space, volcano eruptions and rocket launches, and then facilitate experiments and activities with younger girls. Help to reinforce scientific skills of observation, measurement and note taking. Show how scientists decipher space matter and share how sweet science can be while enjoying edible asteroids! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5**: Girls develop critical thinking; **CONNECT 2**: Girls promote cooperation and team building; **TAKE ACTION 5**: Girls feel empowered to make a difference in the world. Please bring a bag lunch and a water bottle. Since we can't launch rockets indoors, be dressed for the weather, as this event will take place rain or shine. **CSA ~ Cari Holland**

## PA for Geocaching

Assist in high-tech treasure hunting! Find your gold as you set out on an adventure at Chowenwaw Park. Teach other Girl Scouts how to use a handheld GPS unit (*Global Positioning System*) as you navigate to the treasure cache! Pick up a treasure and leave a treasure (SWAP) before time runs out! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5**: Girls develop critical thinking; **CONNECT 2**: Girls promote cooperation and team building. Please bring a bag lunch, and water bottle.

# Observational Astronomy Interest Group

If you have ever wondered what that faint smudge of light in the sky is called, wondered how to use a telescope all on your own, or maybe wondered why there are moon phases, come on out and spend an evening with Northeast Florida Astronomical Society (NEFAS) and get all of your questions answered!

This program is a combination of workbook exercises, hands-on time with telescopes, sky charts, moon maps and activities to support a more complete understanding of the objects observed. Whether it's a planet, a lift off from the Cape or a unique moon phase, there is something for everyone with an interest in the night sky!

We offer a three step program with different activities for each level of accomplishment. Upon completion, earn a Girl Scout certification that will allow you to check out telescopes at your own campouts at the Girl Scout camp properties. Attendance of all three levels is required for certification. However, you can attend as many times as you like because the night sky and moon phase is different every month for a new experience! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4**: Girls seek challenges in the world; **DISCOVER 5**: Girls develop critical thinking; **TAKE ACTION 4**: Girls educate and inspire others to act. Please bring a warm jacket as the temperature drops at night.

**JCSA** ~ Cynthia Wisner

For more Astronomy fun, check out the **NASA STEM** training at the Kennedy Space Center, **10/3/09**, on page **25**; and page **4** to learn more about **OTEX, 9/11-13/09!**

## Level 1

Workbook activities & learn to use a telescope.

## Level 2

Complete workbook activities & work on constellations.

## Level 3

Select and find three objects in the night sky & two objects on the moon.

## Level 4

You have already completed the three sessions and have received your Girl Scout certification card. Now is the time to explore and have fun with your new skills.

# Registration Process

*Please read all instructions carefully; your attention to these procedures will enable us to process your registration more promptly, thank you in advance for your attention in this matter.*

Choose an event to attend. Select and fully complete the appropriate registration form. Submit the registration form(s) to GSGC with full payment.

**Mail to:** Girl Scouts of Gateway Council c/o Activities Registrar 1000 Shearer Street Jacksonville, Florida 32205. Check and credit cards (*Visa or Mastercard*) only please.

**Fax to:** Jacksonville Service Center: **904-384-1542**. Gainesville Service Center: **352-373-1998**. Please ensure that the fax worked successfully. Credit card only please.

**In Person:** Jacksonville Service Center or Gainesville Service Center. Cash, check, money order, credit cards.

**Phone:** Jacksonville Service Center: **904-384-4475, 1-800-347-2688**; or Gainesville Service Center: **352-376-3004, 1-800-868-6307**. Credit cards only please.

**On line:** Go to [www.girlscouts-gateway.org](http://www.girlscouts-gateway.org) to register for an event. Credit cards only please. All on-line registrations receive an e-mail acknowledgement that the registration was received; however you still may be placed on a waiting list. Please look for a second e-mail confirming registration or indicating that you are on a waiting list for the specific event. If you do not receive the acknowledgement e-mail, your registration may not have been received in our office. Please contact the Activities Registrar immediately to confirm your registration.

## Registration Periods

Each program has an opening day of registration as well as a closing day of registration. This is the window during which registrations for the program will be processed. This **DOES NOT** mean that registrations cannot be sent into the office early. All early registration payments will be processed, but the actual registration form will be held until the opening date of registration. If a program has more registrations than spaces before the opening date of registration, a lottery will be done to choose the participants; additional participants will be placed on a waiting list. After the opening date, all registrations will be processed as they are received. Only completed registration forms with the required payments will be considered.

## Late Registration

Programs that do not meet minimum registration by the close of the regular registration period may be cancelled without going into the late registration period. The late registration period enables programs between the minimum and maximum

number of participants to continue to accept registrations to better serve our membership. Late registrations, registrations received after the last day of registration, will require a late fee in addition to the regular event fee; see each event to determine the late fee and late registration dates.

## Troop Registration

All troops registering for events—including two (2) or more girls from the same troop—must bring adult chaperones per Safety Wise ratios to the event. Events that require the use of the troop registration form depend on additional adult supervision of the troop for a quality program.

## Individual with Adult Chaperone Registration

These events are open to ZIP Girl Scouts and girls involved in a troop who wish to participate in an event that the troop is not going to as a whole. These events require that girls **MUST** bring an adult chaperone with them to the event; the event is staffed for the program, but not general supervision of individual girls.

## Individual Registration

A limited number of programs are offered for individual girls with no adult chaperones required; staff at the event is sufficient to supervise girls and provide the program.

## Registration Confirmation

All participants registering for an event will be notified of their status. Only those who have registered will be notified of change or cancellation by phone, e-mail or postal service. Most programs **DO NOT** have a separate confirmation packet, please read the program descriptors for specific items to bring. All participants must bring a permission slip and health form to all events. If a separate confirmation packet is provided, it will be noted in the program descriptors.

## Payment

Payments must accompany the registration form, unless otherwise stated. Payments are accepted by cash, check, money order, Visa or Mastercard. Any registration payments received prior to the opening date of registration for a specific program will be processed; if the participants are wait-listed for the event, refunds will not be issued until after the event is over. If a participant chooses not to be placed on the waiting list, a refund will be issued.

Cookie dough can be applied to girl registration fees only (*not adult fees*) for council sponsored program events.

If an event has an exceptionally high cost, please contact **Lori Richards** to discuss payment plan options at **904-388-4653** or **1-800-347-2688**.

## Financial Grant Applications

Scholarships are available to registered Girl Scouts, who, for whatever reason, find it difficult to pay for the costs associated with membership and/or events. Completed grant applications should

accompany the registration form along with 50% of the program fee for each person requesting a financial grant. Applications and information are available from any Service Center, Troop Leader, Service Unit Manager or Membership Specialist.

### Cancellation and No Shows

Participants who do not show up for an event will forfeit the registration fee.

Please contact the Jacksonville Service Center if unable to attend an event. Cancellations are accepted in writing to the Activities Registrar until the last day of the regular registration period (*not late registration*). Any cancellations made after the registration date are **NON-REFUNDABLE** due to the expenses incurred.

Insufficient registration may result in the cancellation of an event; all registrants will be notified of the cancellation and fees will be fully refunded. All cancellations and refunds will be processed at the Jacksonville Service Center.

# Aquatics Programs (9/18–20/09 & 10/16–18/09)

Are you looking for an adventure? Here is your chance to try something new and exciting. Come out to camp for the weekend and learn a craft of your interest. Canoeing, kayaking, sailing... maybe archery! Who knows you may discover a talent and interest that lasts your whole life! You won't know until you try! All Aquatic programs accomplish the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **DISCOVER 3**: Girls gain practical life skills; **DISCOVER 4**: Girls seek challenges in the world; **CONNECT 2**: Girls promote cooperation and team building; **CONNECT 3**: Girls can resolve conflicts. A confirmation packet will be provided.

*Our goal for the Aquatics Weekends is for all girls to be successful in the activities and programs provided. Aquatic sports require physical strength and endurance; we request your assistance in adhering to the age levels for each activity to assist in a positive and enjoyable experience. Campers may not master all skills for each level over the weekend, especially for the more advanced courses. Please be prepared to attend levels more than once; this will enhance the camper's ability to master skills and be successful in the next level.*

Thank You! ~ *Cynthia Wisner*

## Archery

Spend the weekend aiming for the target! Learn how to handle a bow and arrow as you play games; learn proper technique and tricks of the trade. Sunday morning test your skills as you participate in a tournament to earn the Archery training strip.

**JCSA**

## Canoeing 1 (Intro to Canoeing)

Want to get out on the water? Here's your chance! Learn basic canoe strokes and concepts of canoe safety; how to get in and out of a canoe, as well as how to handle a capsized canoe. This course earns girls the Introduction to Canoeing training strip. **JCSA**

## Canoeing 2 (Beginning Canoeing)

Love canoeing? Come back for round two as you become proficient in paddling strokes and maneuvers you learned in Canoeing 1 (Intro to Canoeing). Learn new strokes and sweeps as you strengthen the ones you already know! All girls who complete this course will receive Beginning Canoeing training strip. **Pre-Requisite: Canoeing 1 (Intro to Canoeing). JCSA**

## Canoeing 3 (Intermediate Canoeing)

Practice new strokes and deep water entry maneuvers in preparation for a day canoe trip during the second weekend of this two-weekend course. River is chosen by Aquatics staff. Girls received the Intermediate Canoeing training strip. **Pre-Requisite: Canoeing 2 (Beginning Canoeing). CSA**

## Basic Sailing

Set sail on Lake McCarthy as you learn the basics of sailing. Find out how to read the wind, tack and jibe, but most importantly have fun! Run a course in our Optimus Prams and feel the wind in your sails; participants will receive the Basic Sailing training strip. **JCSA**

## Intermediate Sailing

Expand those basic sailing skills as you work on maneuvers and teamwork to guide a Laser through the water during this two weekend course. Learn how to rig a Laser all on your own and join in on a regatta as you solidify your skills. All girls who complete the course will receive the Intermediate Sailing training strip. **Pre-Requisite: Basic Sailing. CSA**

## Beginning Kayaking

Think kayaking is for you? Come out and try it! Learn basic kayaking strokes and kayak safety, how to steady a kayak, how to get in and out of a kayak and how to roll a kayak. Join in on the fun as you take a tour of Lake McCarthy and find out what Dead Fish Polo is all about! Participants earn the Beginning Kayaking training strip. **JCSA**

## Aquatic Leader (AL)

Aquatic Leader is a new leadership program stemming from the Aquatic Aide (AA) and Small Craft Instructor In Training (SCIT) programs. This leadership program will allow older girls to feel confident in their aquatic skills as they partner with younger girls to share their knowledge. An assessment of skill level and proficiency each weekend will allow them to progress into an assistant instructor role. Girls will progress through this leadership experience at their own pace with the guidance and support of Aquatics volunteers. Girls should expect to register for this event multiple times to enhance their leadership and small craft skills. **Pre-Requisite: Canoeing 1 (Intro Canoeing), Basic Sailing and Beginning Kayaking. CSA**

## Annual Ball – Enchanted Forest (1/23/10)

You're invited to dance the night away in a forest of fascination with your favorite date! Experience the Annual Ball in a forest full of fairies, food, and fun. Dress up in a gown and have your charming adult male role model (18+) don his best suit to escort you into enchantment. It is up to you whether you ask your Dad, Grandpa, Uncle, Brother, or family friend to join you! This program accomplishes the Girl Scout Mission by focusing on Outcomes DISCOVER 1: Girls develop a strong sense of self; CONNECT 1: Girls develop healthy relationships.

**AGS ~ Cari Holland**

*Please look for registration information for the Gainesville Ball on page 25 or 28; this ball will be held in a new format in response to the lengthy waiting list that occurs annually.*

## Discover San Agustin (3/27/10)

Travel back in time and discover the 1740s at the Colonial Spanish Quarter Museum in downtown St. Augustine. Sixth grade Girl Scout docents will show you how young ladies lived in 18th century St. Augustine. Take part in pastimes of the time period and imagine yourself in history. This program accomplishes the Girl Scout Mission by focusing on Outcomes DISCOVER 5: Girls develop critical thinking; CONNECT 4: Girls advance diversity in a multicultural world.

**AGS ~ Cari Holland**

## Ximenez-Fatio Event (3/27/10)

Expand your San Agustin weekend by attending this **NEW** event featuring Girl Scout living history docents portraying life during the 1800s at the Ximenez-Fatio House Museum in St. Augustine, Florida. The facility, built in 1798, was an exclusive boarding house that has always been owned and operated by women! Docents will dress in period attire and portray the lives of the women who ran the facility as well as a diverse group of female guests. Enjoy an amazing experience learning about life during the colonial era with the National Society of the Colonial Dames of America. This program accomplishes the

Girl Scout Mission by focusing on Outcomes **DISCOVER 5:** Girls develop critical thinking; **CONNECT 5:** Girls feel connected to their communities, locally and globally.

**AGS ~ Carrie Kashawlic**

## Girl Scout Pen Pals (11/30/09)

Would your troop like to be pen pals with other Girl Scouts somewhere else in the country? Pen pal matches will be made based on availability of matches to an equivalent number of girls in the same program age level. Matching troops can take several months to coordinate, please be patient as we work to link you to your sister Girl Scouts. Please send an e-mail by **11/30/09** to [ckashawlic@girlscouts-gateway.org](mailto:ckashawlic@girlscouts-gateway.org) with the following information: number of girls, age level of girls, troop number, and full contact information for the troop leader (name, address, e-mail, phone number). This program accomplishes the Girl Scout Mission by focusing on Outcome **CONNECT 5:** Girls feel connected to their communities, locally and globally.

# Girl Scout Cadette, Senior & Ambassador Programs

## Annual Ball – Enchanted Forest (1/30/10)

You're invited to dance the night away in a forest of fascination with your favorite date! Dress up in a gown and have your charming adult male role model (18+) don his best suit to escort you into enchantment. It is up to you whether you ask your Dad, Grandpa, Uncle, Brother, or family friend to join you! The Ball will feature a dessert bar for guests; a sit-down meal will not be served to accommodate the lengthy waiting list that occurs annually. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **CONNECT 1**: Girls develop healthy relationships. **CSA ~ Carrie Kashawlic**

Please look for registration information for the Jacksonville Ball on page 23.

## Outdoor Skills Weekend (10/23–25/09)

Want to really learn the skills you need to survive outdoors? This is the weekend for you! Come out and spend your time cooking over a fire, sleeping in a tent and working on your knots. Sunday, participate in an all camp survivor challenge as groups compete using the skills you learned the days before to test your readiness to share your knowledge with others. This event is planned by UNF Campus Girl Scouts. This program accomplishes the Girl Scout Mission by focusing on outcomes **DISCOVER 1**: Girls develop a strong sense of self; **CONNECT 2**: Girls promote cooperation and team building; **TAKE ACTION 2**: Girls are resourceful problem solvers. Please bring basic camping equipment and a tent; a limited supply of tents are available at camp, please contact Cynthia if you need to borrow one. **CSA ~ Cynthia Wisner**

## Gopher Tortoise Research Project

(1/9/10; 1/23/10; & 2/6/10)

Assist in gopher tortoise research at the Guana Tolomato Matanzas National Estuarine Research Reserve by working with the Florida Fish and Wildlife Commission. Conduct a burrow and vegetation transect in a prescribed burned area and one in a non-burned area. Work on gathering information to compare and contrast each environment and narrow in on the importance of prescribed fire for not only the gopher tortoise, but many other species such as the scrub-jay and tiger beetle. This program will consist of three days: a day of classroom preparation, a day of field work and a day of gathering and presenting data. Participants must commit to all three dates listed. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5**: Girls develop critical thinking; **CONNECT 2**: Girls promote cooperation and team building; **TAKE ACTION 1**: Girls can identify community needs. **CSA ~ Cynthia Wisner**

## Geocaching (12/12/09)

Treasure hunt the high tech way! Find your gold as you set out on an adventure at Chownenaw Park. Use a handheld GPS unit (*Global Positioning System*) as you navigate for your treasure called caches. Pick up a treasure and leave a treasure (SWAP) before time runs out! This program accomplishes the Girl Scout Mission by focusing on Outcome **CONNECT 2**: Girls promote cooperation and team building. Please bring a water bottle. **JCSA ~ Cynthia Wisner**

## Hot Jobs, Cool Careers (10/24/09 or 11/21/09)

What do you want to be when you grow up? How much money do you want to make? What do you need to do to get there? Meet college students and career professionals at this mini-career fair to get the scoop. You may find out that your current interests could turn into a future career! Earn the Girl Scout Silver Career Award by asking questions about the “real world,” interviewing career women and exploring entrepreneurship. Full participation in this workshop earns you the Girl Scout Silver Career Charm, a component of the Girl Scout Silver Award. The Gainesville event is planned by Ambassador Troop #808. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **DISCOVER 4**: Girls seek challenges in the world; **CONNECT 5**: Girls feel connected to their communities, locally and globally. **C ~ Cari Holland & Carrie Kashawlic**

## NASA STEM Training (10/3/09)

In case you don't know, STEM is a national initiative and stands for Science, Technology, Engineering, and Mathematics. Travel down to the Space Coast to be trained by NASA educators. You'll participate in awesome activities and learn the science principles behind them. On top of that, there is a special surprise included in the day! After this training you will be prepared to share your knowledge with younger Girl Scouts within your Service Unit and lead the STEM activities you learned. It is preferred that girls who attend this training have already completed

Program Aide and have basic leadership skills. Adults are encouraged to attend and participate too. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5**: Girls develop critical thinking; **TAKE ACTION 2**: Girls are resourceful problem solvers; **TAKE ACTION 4**: Girls educate and inspire others to act. Please bring a sack lunch; a confirmation packet will be provided. Transportation is the responsibility of the troop, and local (10 minutes) camping at Manatee Hammock Campground is at the troop's discretion. **CSA ~ Cari Holland**

### **She's A Scientist?! (dates are below)**

Who knew?! Each session of the She's a Scientist?! Series will highlight a different female scientist, her career and her life. You will get a chance to interact with a hip female scientist. Try your hand at an activity that relates to her field and see what it takes to put yourself in a scientist's shoes. Come to see how cool a career in science can be, and leave with a new role model in mind! This series will be offered four times a year, twice in the fall and twice in the spring, with each session focusing on a different scientist and scientific career. Registration includes entry into the Museum of Science and History (MOSH). Bring your lunch and eat it while mingling with the scientist in Friendship Park, right on the south bank of the St. Johns River. Each session features a "She's a Scientist?!" patch available for purchase. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4**: Girls seek challenges in the world; **CONNECT 5**: Girls feel connected to their communities, locally and globally. A confirmation letter will be provided. **CSA ~ Cari Holland**

- **Oct. 17 – Dr. Althea Moorhead, Astrophysicist**  
*University of Florida*

Althea is a theoretical astrophysicist, which means she tries to understand the universe using pencil, paper, and a computer or two. Her field of interest is strange planetary systems, and she loves her job because she likes math, computers, and traveling around the world. At work, Althea analyzes extra solar planets, which are planets far outside of our own solar system. Her favorite hobbies are hiking, reading, cooking, and road trips, not to mention flying to Rhode Island to see her husband.

- **Nov. 14 - Kelly Savage, Marine Biologist**  
*St. Johns Riverkeeper*

Kelly loves all things water! During a visit to Jacksonville, she fell in love with the St Johns River, and decided to make this her home. Kelly's past experience includes conducting fisheries research for the New York State Department of Conservation, Curator of Natural Sciences for the Museum of Science and History, and is currently the Outreach Coordinator for St. Johns Riverkeeper. At work, Kelly takes families on boat tours to show them what plants and animals make their home in our river, and has researched and written a river guidebook. Kelly's favorite thing about science is that you can constantly learn something new by asking questions.

### **Confident You! (2/13/10)**

The pressures to be pretty are all around us. But, who defines beauty? What effect do media messages have on your self-esteem? How can you inflate your confidence and deflate your insecurities? Explore self image, stereotypes, media literacy, and learn a lot more about yourself so that your confidence can shine! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **CONNECT 4**: Girls advance diversity in a multi-cultural world; **TAKE ACTION 3**: Girls advocate for themselves and others, locally and globally. **C ~ Cari Holland**

### **College 101 (2/6/10)**

How do you apply for college? What classes do you take? What is there to do on campus? UNF's Campus Girl Scouts have the answers to all of your college queries! Come to College 101 to become familiar with college life. Get advice from faculty and staff, tour the campus, and even eat campus food for lunch! After this program, you will be confident to start searching for the schools of your choice and ready for the transition to whichever college you choose. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4**: Girls seek challenges in the world; **CONNECT 5**: Girls feel connected to their communities, locally and globally. **SA ~ Cari Holland**

### **High Ropes Adventure Course (12/5/09)**

Test your limits and challenge yourself to accomplish more than you ever thought you could. In a group setting, push your stamina to its limits and explore your leadership style as you discover your personal strength and encourage others to do the same. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **CONNECT 2**: Girls promote cooperation and team building. Please bring sunscreen, water bottle, and completed forms provided in the confirmation packet; lunch is provided. **CSA ~ Carrie Kashawlic**

### **Live Healthy, Lead Healthy (1/16/10)**

Ambassador Girl Scouts that attended the National Live Healthy, Lead Healthy event are bringing their knowledge and experiences to all GSGC Girl Scouts! The event will feature Dr. Karen Harris, a board certified OBGYN and Girl Scout Volunteer, to provide a factual presentation on body image, body changes, abstinence, sexual myths and personal safety. In addition to speaking with the girls she will also address any questions they may have related to their physical development and choices they will make related to their bodies as they become young women. Other activities include safe driving practices and yoga! A parental permission slip and letter will be included in the confirmation letter to all troops registering for this event. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **DISCOVER 3**: Girls gain practical life skills. Please bring a bag lunch. **CSA ~ Carrie Kashawlic**

# Girl Scout Daisy, Brownie & Junior Programs

## Annual Ball – Enchanted Forest (1/30/10)

You're invited to dance the night away in a forest of fascination with your favorite date! Dress up in a gown and have your charming adult male role model (18+) don his best suit to escort you into enchantment. It is up to you whether you ask your Dad, Grandpa, Uncle, Brother, or family friend to join you!

The ball will feature an appetizer bar for guests; a sit-down meal will not be served to accommodate the lengthy waiting list that occurs annually. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **CONNECT 1**: Girls develop healthy relationships. **DBJ** ~ *Carrie Kashawlic*

Please look for registration information for the Jacksonville Ball on page 23.

## Brownies Exploring the Great Outdoors (BEGO)

We're moving to the spring! Keep your eyes open for this program in the spring **DISCOVER!** Booklet. **B** ~ *Cynthia Wisner*

## Birthplace Bound

Look for day trips to the Juliette Low Birthplace in the Spring **DISCOVER!** Booklet for Girl Scout Brownies and Juniors (5/22/10 for Juniors and 5/2/10 for Brownies).

**BJ** ~ *Cari Holland*

## Brownie Play Day (10/25/09 & 1/17/10)

Befriend other Brownie Girl Scouts as you make a craft, play a game, explore science, and take a hike at Camp Seminole Springs during a day that was planned especially for you. All activities will emphasize discovery and fun lead by newly trained Program Aides! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4**: Girls seek challenges in the world; **CONNECT 1**: Girls develop healthy relationships; **CONNECT 2**: Girls promote cooperation and team building. Please bring a water bottle. **B** ~ *Cari Holland*

## Daisy Fun Day (12/13/09)

Hike, sing, and make something! Come to Camp Seminole Springs for a fun day planned just for you! Daisy Fun Day is a time for you to play with newly trained Program Aides who can show you what Girl Scouts is all about! Come to see camp for the first time and leave with a craft in hand and a song in your head. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **CONNECT 1**: Girls develop healthy relationships; **CONNECT 2**: Girls promote cooperation and team building. Please bring a water bottle. **D** ~ *Cari Holland*

## Money Madness! (11/21/09)

Does money really make the world go 'round? Program Aides lead this very special Junior Achievement® program, especially designed for Daisy Girl Scouts. PAs have a fun-packed afternoon planned where they will read you stories about money, play games that teach financial literacy and use art projects that help reinforce financial independence. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4**: Girls seek challenges in the world; **DISCOVER 5**: Girls develop critical thinking. **D** ~ *Cari Holland*

## NASA STEM Stomp Rocket Launch (12/5/09)

Explore two components of the Girl Scout and NASA STEM initiative with activities related to Science and Math. Experience the vastness of space, volcano eruptions and rocket launches with hands-on activities all while paying special attention to the scientific skills of observation, measurement and note taking. Learn how scientists decipher space matter while enjoying edible asteroids! Since we can't launch rockets indoors, be dressed for the weather as this event will take place rain or

shine. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 4**: Girls seek challenges in the world; **DISCOVER 5**: Girls develop critical thinking; **CONNECT 2**: Girls promote cooperation and team building. Please bring a water bottle and an empty 2-liter soda bottle.

### Girls on the Green (10/18/09)

Do you think the green is where you need to be? Golf is an up and coming sport for women, here's your chance to take a swing at this exciting challenge. Link with The First Tee's mission "To impact the lives of young people by providing learning facilities and educational programs that promote character development and life-changing values through the game of golf." Learn how to putt on the practice green, play games that challenge your skill and swing a driver! Take a tour of the golf course and learn to understand if your game is under or over par. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 2**: Girls develop positive values; **CONNECT 5**: Girls feel connected to their communities, locally and globally; **TAKE ACTION 1**: Girls can identify community needs. Please bring a bag lunch, and a water bottle. **J** ~ Cynthia Wisner

### Autumn Harvest (11/20-22/09)

Come out for a weekend of great taste! Learn and utilize different outdoor cooking styles. What is a vagabond stove and what can you make on it? Come find out! Did you ever think you could make food in a cardboard box? Here's your chance to make and use a box oven! The possibilities are endless when you have a passion for cooking. Join us for our gourmet cooking extravaganza and give your taste buds something to talk about! Planned and facilitated by the Campus Girl Scouts of UNF! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **DISCOVER 3**: Girls gain practical life skills; **CONNECT 2**: Girls promote cooperation and team building.

**J** ~ Cynthia Wisner

### Enchanted Walk About (11/1/09)

Have you heard of the Woods Fairies out at camp? Come spend the afternoon at Seminole Springs as we take a closer look at the magic that surrounds us. Make your own Fairy Charm and stroll through our hiking trails as you view the world through a new set of eyes with John Springer. See faces in the trees, spinning/waving leaves, fairy thrones/castles, eyes of Merlin, gnomes and other magical and mystical creatures and characters. Designed to instill Earth Awareness and Nature Appreciation. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **DISCOVER 5**: Girls develop critical thinking. Please bring a bag lunch, and a water bottle.

**DBJ** ~ Cynthia Wisner

### Walk on the Wild Side (9/26/09)

Here is your chance to get up close and personal with some cool critters! Have an animal encounter with native animals, hike a trail where a Ranger will guide you through the local habitat, learn how animals adapt to their environment and understand what Florida fauna might be in your own backyard! Bring your lunch to picnic with a female Naturalist at the Tree Hill Nature Center. Finish off the day with a tour through the butterfly garden and the education center. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **CONNECT 5**: Girls feel connected to their communities, locally and globally; **TAKE ACTION 4**: Girls educate and inspire others to act. Please bring a bag lunch, and a water bottle.

**BJ** ~ Cynthia Wisner

### Take Flight! (11/15/09)

If you enjoyed our last program about birds, this is a program you don't want to miss! Become a super sleuth as you take a closer look at how birds take flight! Find out what bird bones are made of and get a chance to dissect an owl pellet. Discover how to use a field guide and binoculars to compare shorebirds to wading birds. Spend the day with our friends from the Florida Fish and Wildlife Commission as you discover why wing size and beak shapes are important to where birds live. This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **DISCOVER 5**: Girls develop critical thinking; **CONNECT 5**: Girls feel connected to their communities, locally and globally; **TAKE ACTION 1**: Girls can identify community needs. Please bring a bag lunch, and a water bottle. **DB** ~ Cynthia Wisner

### Hook the Future (12/13/09)

If you like to fish here is your chance to take it one step further. Spend your afternoon with Jacksonville local, Captain Don, as he shares his knowledge of the water. Learn how to operate a rod and reel and understand what bait to use when and where. What's the difference in salt water fish and fresh water fish? How do fish disguise themselves and what do they use for self defense? Learn about offshore fishing and have a picnic lunch with female captains who spend their days on the

water waiting for a big catch! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 1**: Girls develop a strong sense of self; **DISCOVER 4**: Girls seek challenges in the world; **CONNECT 5**: Girls feel connected to their communities, locally and globally. Please bring a bag lunch, a water bottle, and dress for the weather.

**J** ~ Cynthia Wisner

### Geocaching (12/12/09)

Treasure hunt the high tech way! Find your gold as you set out on an adventure at Chowenwaw Park. Use a handheld GPS unit (*Global Positioning System*) as you navigate for your treasure called caches. Pick up a treasure and leave a treasure (*SWAP*) before time runs out! This program accomplishes the Girl Scout Mission by focusing on Outcome **CONNECT 2**: Girls promote cooperation and team building. Please bring a water bottle. **JCSA** ~ Cynthia Wisner

### Serve to Preserve (11/7/09)

Discover the natural wonders hiding around the corner in our own state of Florida and earn Governor Crist's Serve to Preserve patch. Working with a female Florida Fish and Wildlife Conservation Commission volunteer, learn more about water and fish that live in the water. Discover the habitats of animals on land with a female Refuge Ranger at the Lower Suwannee National Wildlife Refuge. In addition, you'll learn about aquifers, endangered species, and bird beaks! This program accomplishes the Girl Scout Mission by focusing on Outcomes **DISCOVER 5**: Girls develop critical thinking; **CONNECT 5**: Girls feel connected to their communities, locally and globally; **TAKE ACTION 4**:

Girls educate and inspire others to act. Please bring a bag lunch, sunscreen, waterbottle and water shoes; local overnight camping accommodations—at an additional cost—will be provided in a confirmation packet. **DBJ** ~ Carrie Kashawlic
